SUMMARY

Synopsis of Bill

Senate Bill 406 appropriates \$1,000,000 from the general fund to the Board of Regents of New Mexico Highlands University for the purposes of training teachers, student leadership development and family education programs for at-risk Hispanic teens.

FISCAL IMPLICATIONS

The appropriation of \$1,000,000 contained in this bill is a recurring expense to the general fund. Any unexpended or unencumbered balance remaining at the end of fiscal year 2007 shall revert to the general fund.

SIGNIFICANT ISSUES

This request was not in the list of projects submitted by New Mexico Highlands University to the Higher Education Department. It was not reviewed by the Higher Education Department or recommended in their budget request.

DUPLICATION

House Bill 280 is a duplicate of this bill.

OTHER SUBSTANTIVE ISSUES

According to the Higher Education Department, it is unclear how this program differs from other New Mexico programs that are intended to prepare students for college and how it would serve additional students who are in need of support and academic intervention. New Mexico college preparation programs include: Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR-UP), Engaging Latino Communities for Education (ENLACE), New Mexico Math, Engineering, Science Achievement (NM MESA), Science, Engineering, Mathematics, and Aerospace Academy (SEMAA).
